HILTON GARDEN INN DETROIT/ NOVI CONTINUES TO GROW WITH NEW RENOVATIONS

148-room hotel undergoes extensive brand revitalization initiative

NOVI, Mich. – January 29, 2014 – White Lodging Services is pleased to announce the 148-room [Hilton Garden Inn Detroit/ Novi](#) has completed lobby and guest space renovations.

Hilton Garden Inn Detroit/ Novi now features elements of Project Grow, a major brand revitalization initiative, that includes upgrades to the hotel's communal spaces including the lobby and the guest reception area.

Tailored color schemes, seating arrangements, lobby bars and updated floor and tile work are hallmarks of the "Project Grow" initiative and Hilton Garden Inn Detroit/ Novi has brought that philosophy to its hotel.

“Welcome to the Garden’ is more than just a phrase on the front door of our hotels,” said William Holper, general manager, Hilton Garden Inn Detroit/ Novi. “The layout, new furnishings and overall design of the pavilion will help open up the lobby to our guest in ways unlike any before. It has taken our lobby from a place of transaction to a place of interaction for our guest and associates.”

Guests at the Hilton Garden Inn Detroit Novi can start their day with a full cooked-to-order breakfast at the Garden Grille and Bar®, or end it in one of the brand’s signature beds featuring fresh, white duvets and crisp linens. Each hotel room includes an oversized desk with an ergonomic desk chair, 37-inch high definition television, and a “hospitality center” with a mini-fridge, microwave oven and coffee maker.

Other hotel amenities include complimentary WiFi Internet access in guestrooms and public spaces; 24-hour business center featuring Print Spot™ remote printing which allows wireless printing from any laptop or smart phone; a state-of-the-art fitness center, as well an outdoor swimming pool. The Garden Grille and Bar will also serve cocktails*, dinner and evening room service. The Pavilion Pantry® is open 24-hours and features a complete selection of snacks, fresh and frozen entrees, refreshing beverages and any personal care items guests may have forgotten to pack.
